OUR STORY

Started in 2011 which is known as the peak year of the Great Recession in Vietnam, the establishment of Nguyen Dang Vietnam Co. Ltd. is a bold, yet ambitious and daring decision of our founders. Understanding the characteristics and outstanding issues of local supply chain at the time, it is our company desire to deliver professional logistics services to clients efficiently, openly and honestly in Vietnam and internationally.

Since our beginning, Nguyen Dang Vietnam have grown steadily and successfully by acting on clients' best interest, flexibly adapting to changes and specific needs, and constantly refining our robust systems and processes. Our five offices are all strategically located in main cities/ ports of Vietnam and proficiently self-functioned as well as connected to the worldwide freight forwarding network.

OUR CULTURE

As our name suggests it, ‘Nguyen Dang’ always acts as a guidance lighthouse, aiding all shipments navigating and arriving well to their destinations as committed. Cooperating with Nguyen Dang Vietnam means you are enjoying the art of logistics.
